Subpart B—Procedures for Adoption of Rules

§ 389.11 General.

Unless the Administrator, for good cause, finds that notice is impractical, unnecessary, or contrary to the public interest, and incorporates that finding and a brief statement of the reasons for it in the rule, a notice of proposed rulemaking is issued, and interested persons are invited to participate in the rulemaking proceedings involving rules under 49 U.S.C. 3102; section 30 of the Motor Carrier Act of 1980, as amended; section 18 of the Bus Regulatory Reform Act of 1982, as amended; the Motor Carrier Safety Act of 1984; the Commercial Motor Vehicle Safety Act of 1986 and the Noise Control Act of 1972.

§ 389.13 Initiation of rule making.

The Administrator initiates rule making on his/her own motion. However, in so doing, he/she may, in his/her discretion, consider the recommendations of his/her staff or other agencies of the United States or of other interested persons.

[35 FR 9209, June 12, 1970, as amended at 53 FR 2036, Jan. 26, 1988]

§ 389.15 Contents of notices of proposed rule making.

(a) Each notice of proposed rule making is published in the FEDERAL REGISTER, unless all persons subject to it are named and are personally served with a copy of it.

(1) A statement of the time, place, and nature of the proposed rule making proceeding;

(2) A reference to the authority under which it is issued;

(3) A description of the subjects and issues involved or the substance and terms of the proposed rule;

(4) A statement of the time within which written comments must be submitted; and

(5) A statement of how and to what extent interested persons may participate in the proceeding.

§ 389.17 Participation by interested persons.

§ 389.19 Petitions for extension of time to comment.

A petition for extension of the time to submit comments must be received in duplicate not later than three (3) days before expiration of the time stated in the notice. The filing of the petition does not automatically extend the time for petitioner's comments. Such a petition is granted only if the petitioner shows good cause for the extension, and if the extension is consistent with the public interest. If an extension is granted, it is granted to all persons, and it is published in the FEDERAL REGISTER.

§ 389.21 Contents of written comments.

All written comments must be in English and submitted in five (5) legible copies, unless the number of copies is specified in the notice. Any interested person must submit as part of his/her written comments all material that he/she considers relevant to any statement of fact made by him/her. Incorporation of material by reference is to be avoided. However, if such incorporation is necessary, the incorporated material shall be identified with respect to document and page.
